## **IPPS GB&I Workshop Practical Grafting**

- Dates and Venues:** 1. Sandy Lane Nursery, Wattisfield, Diss IP22 1NE - Weds 15<sup>th</sup> Feb  
2. Frank P Matthews, Tenbury Wells, Worcs – Weds 22<sup>nd</sup> Feb
- Time:** 10am - 3pm
- Available Places:** 10 per workshop
- Cost:** IPPS members: £60      Non-members: £75  
*(up to two non members per member can be booked at members' rates)*
- Reply by:** 1. Friday 10<sup>th</sup> February (Sandy Lane workshop)  
2. Friday 17<sup>th</sup> February (Frank P Matthews workshop)

These workshops will introduce participants to a variety of grafting methods. The focus will be on knife work technique and participants will be able try out various grafts for themselves. Because of the practical nature of the day, the number of available places has been restricted to ensure that all participants fully benefit from the demonstrations and practical sessions.

At Sandy Lane Nursery, Roger Ward (Golden Grove Nursery) will be demonstrating the workings of conifer grafting.

---

Sandy Lane Nursery specialises in the wholesale supply of container-grown and open-ground trees, shrubs and ornamental and native hedging plants. The company grows over 500 varieties of ornamental and native species, mainly in 15 litre pots for garden centres and nurseries.

Frank P Matthews has been growing trees for over 100 years and produces over half a million fruit and ornamental trees a year.

Participants are asked to bring their own knives or secateurs, preferably sharpened.

Tea and coffee will be provided but please bring your own lunch.

***Priority for places will be given to IPPS members***
